Looking after your pet... and your pocket!

Our vets have created these comprehensive wellness plans with you and your pet in mind. We have taken the utmost care to include all the preventative care services we believe are essential for maintaining your pets health and happiness while keeping your budget in mind.

We know that early detection is the key to preventing and managing many diseases and reducing costly medical bills. By providing your pet with essential vaccinations, six month health checks, regular parasite screening and treatment, and all the other benefits of our wellness scheme, we have the best chance of preventing, detecting, and managing illness now and in the future.

Save up to 20% on preventative health care

Looking after your pet and your pocket!

Not only does the pet wellness scheme give you the reassurance of knowing you are providing the best possible care for your beloved pet, it also helps you spread the cost of preventative care throughout the year. You simply make an initial payment, followed by eleven equal Direct Debit payments, and we take care of the rest.

Save even more with 5% off Vetsure pet insurance

We've teamed up with Vetsure Insurance to provide a special discount available only to wellness plan members. Complete your pet's protection by adding a Vetsure policy today!
